Privacy and Opt-Out Policy

Engage Now Africa (ENA) places a high priority on protecting your privacy. This privacy policy was created to demonstrate Engage Now Africa's firm commitment to the privacy of our donors and website users. This policy explains what types of information is collected by the Engage Now Africa's website and how this information may be used.

What Personally Identifiable Information is Collected

Engage Now Africa donors and individuals that sign up to receive newsletters and e-communications voluntarily provide us with contact information (such as name and e-mail address). We may use this information for specific, limited purposes. You may always "opt out," either now or at any time in the future, if you do not wish to receive our messages.

IP addresses

Engage Now Africa may use your IP address to help diagnose problems with our server and to collect statistical metrics used to track website visitor traffic.

Cookies

We may use "cookie" messages to automatically help provide better services. They remind us who you are and your preferences for our website based on what you've done and told us before. The "cookie" is placed in your computer and is read when you come back to our website. Cookies let us take you to the information and features you're particularly interested in. They also let us track your usage of our website so that we know which parts of our sites are most popular. You can reject cookies or cancel them by instructing your Web browser accordingly.

How Your Information May Be Used

We use your personal information to provide you with personalized service; to send e-mail alerts to you; to answer your requests, etc. You may choose to opt out at any time, which will cease all communications from us. We may also use your information to track visitors of our website. This lets us see which of our features are the most popular, so we can better serve our users' needs. It also lets us provide aggregate data about our traffic (not identifying you personally, but showing how many visitors used which features, for example) to outside parties

Email Privacy

Engage Now Africa does not provide, sell, or rent email addresses to anyone outside the organization.

Modifications

We may amend this privacy policy from time to time; please review it periodically. We maintain the option to modify this privacy at any time by electronic notice posted on our website. Your continued use of our website after the date that such notices are posted will be deemed to be your agreement to the changed terms.
